## THESIS CHECKLIST

### STAGE 1: PLAN

Learn about the thesis requirement and how to map out personalized goals. This stage offers a framework for thinking about the thesis and possible paths to completion. Complete Stage 1 during your first year in the HC. If you are transferring into the Honors College, you should complete Stage 1 during your first term or as soon as possible.

	Register and complete HC 408 Stage 1 Plan
	Prepare and <a href="#">submit Thesis Plan online</a>

### STAGE 2: EXPLORE & BUILD

Begin to explore research at OSU, consider possible thesis topics, and connect with potential thesis mentors. Remember, you do not need to have a thesis idea to begin Stage 2!

	Register and complete HC 408: Stage 2 Explore & Build	OR	Complete Identify Faculty list and <a href="#">submit</a>
			Attend <a href="#">HC Faculty Showcase</a>
			Interview a faculty member and <a href="#">submit Interview Report</a>
			Complete IRB online ethics (CITI) training and <a href="#">submit certificate of completion</a>

**Our expectation is that you will identify a mentor and research area in stage 2. Reach out to an HC academic advisor if you complete Stage 2 and do not have leads on a mentor.**

### STAGE 3: COMMIT

Work with your mentor to select a topic, develop a research plan, and complete a formal thesis proposal.

	Complete thesis proposal, agreement and timeline with your mentor
	<a href="#">Upload your signed thesis proposal, agreement and timeline</a>

full descriptions of Stage 3 and required tasks: [honors.oregonstate.edu/stage-3-commit](https://honors.oregonstate.edu/stage-3-commit)

Between Stages 3 & 4, discuss with your mentor if your project has intellectual property concerns or requires IRB approval, then begin your research.
